Anchor finished his championship in November 2020 by going Best of Breed over specials from the 12-18 month class. His love of being the center of attention and any kind of treats made him a natural for the show ring. He is also a very sweet boy who loves to play and be carried around like a baby. Finishing very young, Anchor has retired to a wonderful home where he will mature for the next couple of years. He is remaining intact for potential showing in the future and so he can make some babies. Anchor is tested POAG clear.
