Quarry: Wild Rabbits

We may still have to wear masks and keep our distance, but we can come out in the open air to hunt our dogs at the 2021 PBGVCA Regional/National Hunt. Finish up your week at the PBGVCA Regional/National Specialty with 3 days of hunting at the Belmont Jefferson Beagle Club in St. Clairsville, OH. All AKC registered PBGVs are welcome, including those with ILP/PAL listings.

Belmont Jefferson Beagle Club was established in 1937 and boasts 3 fields, each with observation towers so we can see the rabbits and watch our dogs demonstrate their natural ability for trailing the game. The cover is maintained to be below head height so you can see the rabbits and the dogs. The field is a short drive from nearby St. Clairsville, OH, just off I-70, 2 ½ hours from the Roberts Centre in Wilmington, OH.

A complete copy of the PBGVCA Rules and Regulations with desirable qualities and faulty actions in hunting PBGVs can be viewed at www.pbgv.org. A summary of the Rules and Standard Procedures is included on page 17 of this document. Requirements for PBGVCA Hunt Titles are listed on page 18.

The field will be open for practice time on Sunday, April 25, starting at 10 am (sign up sheet at the clubhouse.) Please limit your practice time to no more than an hour, with a limit of 5 dogs on each field at any given time. If possible please consider having a “human” buddy with you on the field. Make sure that someone knows that you are going out on the field.

The field will also be open after tests are completed on Monday and Tuesday, if time allows. Priority will be given to dogs without titles—sign up required prior to open run time on test days. Limit 5 dogs on a field at any given time.

IMPORTANT NOTICE TO ALL HANDLERS

See page 4 for COVID-19 safety policy. All handlers are expected to adhere to this policy.

All entered handlers and hounds must be present on the field for the roll call and draw at the start of the day. Hounds not checked in will be marked absent. Hunt Tests Stakes and Hunting Instinct Tests will be included in the same draw.

Hounds entered individually (not in pre-arranged packs) will be assigned to packs by the secretary prior to the draw. Judges for each run will be assigned by hunt officials once the draw is complete.

Field Marshal sign up will occur once the draw is complete. Please volunteer to marshal—it's a great way to help the club and also gives you a chance to watch the dogs hunt up close.

Handlers should have their dogs ready prior to their scheduled run time—be mindful that the previous run might finish early.

- Alcohol is discouraged at the clubhouse and in the parking area and is not allowed on the hunt field.
- These grounds have rough terrain—please use caution; a walking stick is recommended.
- Safety of the dogs is our primary concern. Areas used for this event will be totally fenced. Please be sure the gate is properly closed as you enter or leave the running grounds.
- In consideration of others, please clean up after your dog on the field and at your hotel. Your cooperation in this matter is appreciated! Any behavior that leads to complaint at the hotel will result in a disciplinary meeting by the event committee.
- New handlers are strongly advised to attend at least one Puppy/Novice Learning Experience
- No move-ups from HIT to Hunt Test will be accepted for the day on which the PBGV has been marked as passing the HIT.
- The Hunt Test is an off-lead test. NO long lines (except as stipulated in the PBGVCA Rules and Standard Procedures), leashes, or food may be used once a PBGV is released until the judges request that the dogs be picked up (leashed) and removed from the field.
- If Monday's tests cannot be completed due to darkness, they will resume on Tuesday followed immediately by the draw for Tuesday's tests.

PBGVCA Hunt Tests Offered

Hunting Instinct Test (HIT)—This test is open to all PBGVs 6 months and older registered with AKC. Hunting Instinct Certified (HC) will be granted by the PBGVCA to any PBGV passing the HIT. A PBGV may not be entered in the Hunt Test until it has passed the HIT.

Hunt Test—This test is open to any PBGV who has passed a PBGVCA Hunting Instinct Test, or received an equivalent qualification by an established hound association. The hunt test includes Pack, Brace, and Solo stakes. All qualifying scores must be applied towards an appropriate hunt title for which a prerequisite has been earned. High qualifying scores may not be saved for advanced titles. For a description of the PBGVCA Hunt Test Title Requirements, see final page of this catalog.

Non Regular Classes offered (Sunday 4/25 only)

Puppy Learning Experience (PLE)—for PBGV puppies 3-6 months old. This experience includes presentation of information about exposing puppies to hunt field conditions, how to get puppies to go in cover, how scent works in the field, relevant information about rabbit behavior, and how to work with puppies at home to improve hunt skills. Puppies will be exposed to a live rabbit if one is available.

Novice Learning Experience (NLE)—for PBGVs 6 months and older who have not passed a Hunting Instinct Test. The same material will be covered as in the PLE but more time will be spent in the field with an experienced dog providing guided hunting experience for the novice dogs.

Entry Fees

Hunting Instinct Test	\$20.00
Pack Stake	\$25.00
Brace Stake	\$37.50 per dog
Solo Stake	\$75.00
PLE/NLE	\$15.00
Move up from HIT	\$ 5.00

Move up from HIT is offered for dogs who pass the HIT on the first day of the test, or at a previous test held after the entry closing date for this test, if space is available to add an additional pack stake entry on the following day.

Awards: Each dog that qualifies in a run will receive a 3 ½ inch embroidered patch with the PBGVCA Hunt Logo with the text 2021 PBGVCA National Hunt Qualifying Score.

Covid-19 Hunt Requirements

Social Distancing – Everyone should practice social distancing (6 feet apart) when possible except with members of their household or people they are traveling or staying with. We will need to be mindful of keeping our distance from others and respect that everyone may have a different level of risk as well as a different level of comfort around others.

Masks – Masks (covering nose and mouth) should be worn at all times in indoor spaces and outdoors where people are gathered for meetings (morning meeting, judges meeting, judges discussions) and events (raffle, etc.) Masks should be worn as handlers and judges gather for a run and pictures are taken but may be removed once the run is underway and people are spread out. Consideration should be taken in putting masks back on if circumstances on the field lead to close proximity (such as running past another handler or judge). People are not required to wear masks at their set ups (cars, campsites, etc.) but should be prepared to wear a mask when anyone else approaches. The event committee may decide to limit or eliminate observers/gallery on the field to avoid proximity. The default should be to wear a mask and maintain social distance. Please pack enough masks to last you while at the hunt. Masks are required even for those have been vaccinated.

Clubhouse – Secretary and Hunt Chair will be the only ones allowed in the clubhouse. Roll call and morning meeting will be held outside (clubhouse porch or equipment building).

Bathrooms – Doors should be left open between individual use of the bathrooms and exhaust fans on if available. While waiting for the bathroom please observe social distance.

Common Items – Hunt collars will be kept spread out on a table for easy pick up. Disinfectant wipes will be available to wipe down collars by the person who is getting ready to use the collar. The starter pistol should be wiped down with disinfectant wipes before each use by the marshal who will be using it. Judges will get a clipboard and pencil on the first run they judge and that will be theirs for the entire hunt. Judges will turn in their paper work (designated box outside of the clubhouse) but not their clip board or pencils. Draw tokens will be spread out on a table by the hunt chair. One person from each run will come forward and indicate which token they would like to be turned over by the hunt chair. The hunt chair and chief marshal will be the only ones to write in the run board each with a different color marker. Bring your own chairs. Please do not sit in chairs that are not yours even if they are empty.

Food – Boxed lunches plus a drink will be available for a fee. Social distancing should be practiced during food pick up. We will forego our usual snacks, beverages, and bottled water for this hunt. (Hot coffee and hot water will be available in the mornings.) Please be sure that you have enough snacks and beverages for your own use.

Raffle – Tickets will be pre-packed in plastic bags. Correct money should be dropped in container. One person with gloves will pick all tickets and tape to items. Winners pick up item after all tickets have been drawn, practicing social distancing. Items should not be handled by anyone once set up until they are picked up by winner. If your raffle item or basket has multiple things that cannot be seen or easily recognized please attach a list for others to know what wonderful items you have brought.

Monday night cookout – We will be mindful of disease transmission during food service for the cookout. ServSafe procedures will be followed. Participants are encouraged to gather in personal chairs in the open air to eat communally, either in the parking area or under shelter in the equipment shed if rain is expected. Continue to observe social distancing recommendations, especially during eating and drinking when you can't wear your mask.

The PBGVCA is grateful to the Belmont Jefferson Beagle Club for allowing us the use of this excellent facility for our National and Regional Hunts.

National Regional Hunt Test Raffle

Don't miss the Hunt Raffle, a Hunt Test tradition. Tickets will be on sale up until the drawing which will be held Monday late afternoon after runs are completed. Raffle proceeds will go to PBGVCA to defray the costs of the National Specialty. **If everyone brings a nice raffle item there is sure to be something for everyone.** Raffle items do not have to be hunt or dog related. For more information contact Patty Bateman (racer55@frontier.com). The raffle drawing will occur when runs are finished on Monday.

Photography

Hello Fellow PBGV Hunters!

My name is Shea Braune and I'll be taking the start of run pictures and candid shots. Weather permitting, I'll be going out with each run. Between the two days, I should be able to go out with all the dogs entered. After the hunt, I'll be editing and uploading the pictures to my website, The Golden Hound www.thegoldenhound.com for purchase. As soon as the pictures are uploaded, I'll let the PBGVCA know so they can send out an email blast. I'll also post on The Golden Hound Facebook page when they're uploaded.

I'm also happy to take any posed pictures, both of you and your best friend, or just your best friend. I find that hunt fields are a great natural backdrop!

SUMMARY OF RULES AND REGULATIONS for PBGVCA Hunting Tests

For complete rules, see the PBGVCA website [Hunt Test Rules](#)

Hunting Tests shall be open to all AKC registered or ILP/PAL registered Petit Basset Griffon Vendéen's of six months of age or over on the first day of the event. Spayed or neutered hounds are eligible for entry.

No person acting in the capacity of Hunting Tests Secretary may judge at the event for which that person is acting as Hunting Tests Secretary.

Any dog may be entered in a hunt test stake for which it is eligible, however, it must be noted on the supplementary entry form, if an advertised judge, alternate judge or any member of their family has owned, sold, held under license, boarded, trained or handled the dog within one year of the starting date of the Hunt Test, as this person may not judge the hound.

For purposes of this Section, the words "any member of his family" shall include a spouse, a sibling, a parent or a child, whether natural or adopted, of the Judge in question, but shall not extend to other blood or legal relationships.

At the conclusion of the judging for each test, the club shall provide, for the Judges' signatures, the Hunting Test Score Sheets for each pack judged, showing full particulars of all dogs judged.

Titles are awarded based on application to PBGVCA as defined in the Petit Basset Griffon Vendéen Hunt Tests Rules and Standard Procedures.

Purpose: The purpose of Hunting Tests for Petit Basset Griffon Vendéens is to afford an opportunity to demonstrate an individual hound's ability to perform in a manner consistent with the demands of actual hunting conditions. Testing in this manner is to gauge the hounds hunting ability, desirable qualities that indicate ability to be effective and efficient in the pursuit of quarry.

Time and Running Order: Running order will be assigned by public "Draw" before the beginning of each test.

Packs may be mixed sexes. Bitches in season may not be on the test field. Fees will be refunded for bitches that come in season after the closing date or a substitution may be made.

No hounds shall be put down after 30 minutes following official sunset. The Hunting Test Committee and the Judges shall be responsible for enforcement of this Procedure.

Marshals: It shall be the duty of one Marshal to assist the Judges and to carry out their instructions, including regulating and controlling the gallery & seeing to it that the gallery is kept separate from and behind the Judges, and that no one in the gallery talks to the Judges while the dogs are down. Other Marshals shall see to it that hounds are ready when called, and assist the Hunting Test Committee in all other matters necessary for the smooth and expeditious running of each Test.

Gallery: No person shall make any remarks nor give any information which might affect the actions of the persons handling the hounds or the running of the hounds unless information is specifically requested by the Judges. Any person so offending may be expelled from the running grounds on orders from the Judges, and points of merit shall not be allowed any hound whose handler acts upon such information. The Judges must be informed of any such misconduct before the close of the running of the hound(s) in which it occurs, and their decision shall be final.

Handlers: When hounds are cast, a handler may speak, whistle, sound a horn to his hound or work in any way he may deem proper, if not contrary to these Procedures, unless otherwise instructed by the Judges. Hounds must show reasonable obedience to their handler's commands.

Each hound under judgment must wear a different colored hunt collar or stretch band for easy identification by the Judges. The Judges' evaluation forms will have this collar color and the handler's number. (Personal collars worn in addition to the colored hunt collar or stretch band must have a fixed circumference with no hanging tags.)

No owner or handler shall have any right to question or refuse to follow the Judges' orders.

Owners and handlers must keep themselves informed as to the running order and progress of the judging and must be ready within hailing distance when their hounds are called by the Marshal on instruction from the Judges.

Severe Training or Correction: The Hunting Test Committee and the Judges shall not permit severe disciplining of hounds on any part of the grounds. The Committee shall investigate any reports of such conduct or of any other conduct prejudicial to the best interests of purebred dogs, PBGVCA Hunt Tests, or the American Kennel Club, according to Chapter 6, Section 5 of the Petit Basset Griffon Vendéen Hunt Tests Rules and Standard Procedures.
